Övide

Övide cabinet has a distinguished airiness with full exposure. It has thin elegant lines and a modern yet timeless look. The doors are opened by pushing the mountings. Choose mountings of leather from Tärnsjö or stainless steel ground flush.

The cabinet is made to order according to your preferred style, birch or oak, leather or stainless steel, natural oil, white pigmented oil, soap treated or painted. Painting can be done of the doors, the cabinet or the whole unit.

Three glass shelves are included.
